

## D30 Series Director Collection

Featuring the smallest footprint in the collection, sets small speakers combine to distribute even sound coverage throughout a room while seamlessly mimicking the discreet profile of interior lighting. With a total diameter of only 4", the Director 30 Collection yields performance with premium hand-selected materials without tampering with interior design.

### DPSD™ Tweeter

This patented tweeter has the greatest output and is able to crossover much lower to either the woofer or the midrange improving both dispersion and the frequency response.

### Woofer Cone Materials

This patented tweeter has the greatest output and is able to crossover much lower to either the woofer or the midrange improving both dispersion and the frequency response.

### Multi-Finish Options

The Director 30 comes with magnetic bezel-less grilles in both square and round finishes to match perfectly with designer recessed lighting.

### Tool-Less Mounting System

The Zip-Klip™ secures the speaker in the ceiling with the exact torque to ensure a tight fit. This is accomplished by squeezing the clips into place and locking the speaker with a twist.

### X-Wave™ Woofer Surround

This suspension element absorbs unwanted frequencies that reflect up and down the woofer cone to reduce harmonic distortion while maintaining the desired linear travel of the woofer.
