

LS 60 & 40 Series Seasons Landscape Collection

Filling your outdoor environment with quality music that appears to come from nowhere is now a very real expectation. Hidden away in flower beds and planters or placed around the pool or other water features, the Landscape Collection can fill the entire yard with a sound that is sure to enhance every outdoor event from a pool party to a wedding reception.

LS64

LS44

Unobtrusive Design

The camouflage finish blends perfectly into natural landscape environments.

Weather Resistant Materials

Backed by our lifetime warranty, all Origin Acoustics satellite speakers are built with weather-resistant materials to endure the harshest weather conditions.

Vast Sonic Dispersion

Each satellite speaker will provide even sound coverage of up to 250 sq ft.

Flexible Installation

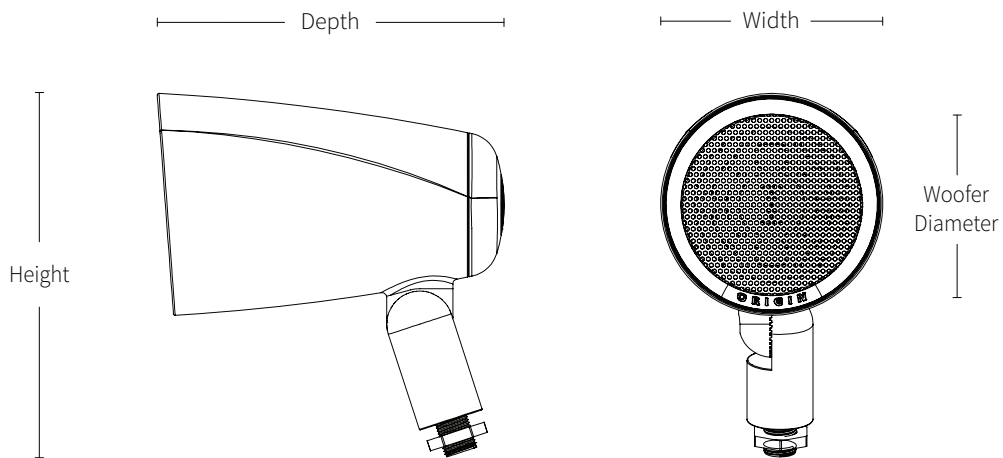

All Landscape speakers are switchable between 8 ohm and multiple 70v taps.

Passive Radiator

The LS64 feature a passive radiator on the bottom providing greater bass, which means a smoother transition to the subwoofer, while maintaining a sealed enclosure for weather resistance.
